

REVOLUTION

Okay, hold on to your hats cause this is going to be awesome! This summer on Wednesday nights (6:00 – 8:00 PM) we're hosting The Revolution: ALL OUT WAR. *You may be familiar with The Amazing Race, but this is a whole different game.* If you choose to participate, you will face mental and physical challenges as you battle it out with other teams.

You will sign up with a friend. You and your friend will be placed on a team (team size will be determined by how many people sign up to play). This will be your team for the summer. Fill out your application **NO LATER THAN MAY 4TH!**

Here are some frequently asked questions about The Revolution:

1. **Who can play?**

Anyone entering 6th grade through anyone who just graduated High School.

2. **What if I want to bring a friend with me one week?**

Here's where things get a little tricky. **We want you to invite your friends.** However, we want you to **invite them now**. Sign up with them; give them one of your extra applications to invite one of their friends to come; whatever you do, invite them **now**. We need them to sign up now. As a group of leaders, we feel that the value of this is best experienced from the beginning as we build from week to week. We want as many people to participate as humanly possible, but we are asking you to do your asking now. That's why we included extra applications. Once you sign up with your buddy, you will not be allowed to change teams.

3. **What if I can't be there every week, can I still play?**

Yes. However, you will be responsible to find a replacement for yourself. If you don't your teammate will have to accomplish all of the challenges without you; but remember that they will have your other teammates. It will hurt your team a little, but you can still play even if you can't be here every week. *If you do have a substitute, they will only be allowed to play if they have a permission note from their parent or legal guardian. NO EXCEPTIONS.*

4. **How much does it cost?**

\$10 for your shirt. After that, it's all free. We will encourage everyone to wear their T-shirt each week (you may have to learn to do laundry). If you really want a shirt, but can't afford it, please see me...seriously, talk to me about it.

5. **What's the point of The Revolution?**

Good question, I'm glad you asked. Each week the teams will compete against each other to complete that week's challenge. Teams will be awarded points based on the order in which they finish. Each week your points will be combined to create a total score at the end of the race (July 27th), and the team with the highest score will receive the prize (to be announced later).

6. **Will I really regret not being part of The Revolution?**

You have no idea how much you'll regret it. This promises to be the best summer yet!

7. **How do I sign up?**

1. Fill out the enclosed form and turn it with your shirt money to Rodney **NO LATER THAN MAY 4th**!
2. Go to school and invite friends who don't attend our youth group to be on your team. If you already have your team, get them two applications so that they can get someone. I have included extra copies of the registration form for you. Stop trying to hog all the fun for yourself.
3. NOTE: On the application, you **MUST** have the person playing with you sign your form and you **MUST** sign theirs. If we receive an unsigned form, it will go into the random draw pile and you will be assigned a teammate at random. You also **MUST** have your permission slip filled out. (Hint: It's on the back side of the application)

8. **Is there any spiritual value to doing The Revolution?**

Well of course there is! Our theme this year is "**ALL OUT WAR**" Our theme verse for the summer is Ephesians 6:11, "*Put on the full armor of God so you can take your stand against the devil's schemes.*" This summer we're going to become even more aware of the enemy that seeks to destroy us and keep us from becoming all that God designed us to be. That's the ultimate goal of The Revolution. Everything else is just icing on the cake!
